

KARYASHALA

“HANDS ON TRAINING ON SCHOLARLY PUBLICATIONS”

May 12-18th, 2022

**Science and Engineering Research Board (SERB), Department of Science and Technology,
Government of India under Accelerate Vigyan Scheme**

Organized by

Research Journal Division (Biological Sciences) CSIR-NIScPR National Institute of Science
Communication and Policy Research, New Delhi

‘KARYASHALA’ is an effort to improve research productivity of promising PG and PhD students from universities and colleges through high-end workshops on specific themes. This program aims to provide opportunities to acquire specialized research skills.

OBJECTIVE OF THE WORKSHOP

This program being conducted during the *Azadi Ka Amrit Mahotsav* initiative of Govt of India celebration year intends to provide awareness on scholarly communication in science for career growth. All aspects such as writing research papers; popular articles; ethical issues in scientific research; literature collection; selecting a right journal; basics of journal metrics; popular science communication and print production, and as a researcher enhancing academic visibility will be covered.

CSIR, NIScPR

CSIR-National Institute of Science Communication and Policy Research (CSIR-NIScPR), with a legacy of more than 7 decades in Science communication, is a premier science publishing institute in India. It publishes 19 research journals and three Popular Science Magazines, apart from CSIR-News, CSIR-Samachar (Hindi), Discussion paper series and Policy bulletins. etc. The CSIR-NIScPR also conducts academic courses leading to PhD & MSc in S&T communication through AcSIR.
