

# Indian Journal of Experimental Biology

<http://www.niscair.res.in>; <http://nopr.niscair.res.in>

---

<b>VOLUME 50</b>	<b>NUMBER 11</b>	<b>NOVEMBER 2012</b>
CODEN: IJEB (A6) 50 (11) 749-832 (2012)	ISSN: 0019-5189 (print); 0975-1009 (online)	

---

## CONTENTS

### Papers

- Olfactory tract transection in neonatal rats: Evidence for Mitral cell regeneration and restoration of functional connectivity with its targets 755  
S P Anil, T R Laxmi, Bindu M Kutty & T R Raju
- Olfactory tract transection reveals robust tissue-level plasticity by cellular numbers and neurotrophic factor expression in olfactory bulb 765  
Mansoor Ali Khan BM, Sunil Thomas, Jitendra Kumar Sinha, Phalguni Anand Alladi, Ravi V & T R Raju
- Chronic fluoxetine treatment affects gene expression of catecholamine enzymes in the heart of depression model rats 771  
Natasa Spasojevic, Predrag Jovanovic & Sladjana Dronjak
- Antiobesity effect of Safoof Mohazzil, a polyherbal formulation, in cafeteria diet induced obesity in rats 776  
Pooja Gupta, Jogender Mehla & Yogendra Kumar Gupta
- Nanoemulsified ethanolic extract of *Pyllanthus amarus* Schum & Thonn ameliorates CCl<sub>4</sub> induced hepatotoxicity in Wistar rats 785  
V Deepa, R Sridhar, A Goparaju, P Neelakanta Reddy & P Balakrishna Murthy
- Antioxidant and hepatoprotective action of *Asparagus racemosus* Willd. root extracts 795  
S R Acharya, N S Acharya, J O Bhangale, S K Shah & S S Pandya
- Virgin coconut oil improves hepatic lipid metabolism in rats—compared with copra oil, olive oil and sunflower oil 802  
S Arunima & T Rajamohan
- An efficient *in vitro* regeneration protocol for a natural dye yielding plant, *Strobilanthes flaccidifolious* Nees., from nodal explants 810  
Chitta Ranjan Deb & T Arenmongla
- Enhanced rosmarinic acid production in cultured plants of two species of *Mentha* 817  
Debleena Roy & Sandip Mukhopadhyay

*contd.....*

Cloning and expression of a small heat and salt tolerant protein (*Hsp22*) from  
*Chaetomium globosum*  
Rashmi Aggarwal, Sangeeta Gupta, Sapna Sharma, Sagar Banerjee &  
Priyanka Singh

---

### Indian Journal of Experimental Biology in Open Access Mode

The Indian Journal of Experimental Biology (IJEB) is now an open access journal in the repository, NISCAIR Online Periodicals Repository (NOPR) [<http://nopr.niscair.res.in>].

Full text of all articles published in IJEB from 2006 onwards can now be accessed at NOPR in the open access mode. Papers in the current issue shall be uploaded immediately. Papers published in earlier years shall be added soon.

NOPR is based on DSpace, a digital repository software, and allows document browsing, document searching and various search options like title, author name, keywords, year, issue, etc.

---

### Editor's Note

The *Indian Journal of Experimental Biology* is covered in the following international abstracting and indexing services:

Science Citation Index Expanded™  
PubMed (<http://www.ncbi.nlm.nih.gov/>)  
MEDLINE  
BIOSIS  
Chemical Abstracts Service  
Excerpta Medica  
Informascience  
Refrativnyi Zhurnal  
Zoological Records
