Indian Journal of Experimental Biology in Open Access Mode

The Indian Journal of Experimental Biology (IJEB) is now an open access journal in the repository, NISCAIR Online Periodicals Repository (NOPR) [<http://nopr.niscair.res.in>].

Full text of all articles published in IJEB from 2006 onwards can now be accessed at NOPR in the open access mode. Papers in the current issue shall be uploaded immediately. Papers published in earlier years shall be added soon.

NOPR is based on DSpace, a digital repository software, and allows document browsing, document searching and various search options like title, author name, keywords, year, issue, etc.
