

ANNOUNCEMENT

NATIONAL CONFERENCE ON
INTERDISCIPLINARY INTERACTION ON RECENT INNOVATIONS AND
PROSPECTS OF PHYTOPHARMACEUTICALS (RIPP-2018)
26-27 October 2018

Department of Pharmacy (Faculty of Engineering and Technology) in association with Department of Biochemistry & Biotechnology and Department Of Zoology (Faculty of Science), Annamalai University, Annamalainagar-608 002, Tamil Nadu is organizing national conference on “Interdisciplinary Interaction on recent innovations and prospects of phytopharmaceuticals” (RIPP-2018), which will be held between 26th and 27th October, 2018 at the Department of Pharmacy, Annamalai University, Tamil Nadu. The key feature of this conference is to discuss and explore the preventive and novel therapeutic strategies to combat various diseases, including cancer, diabetes mellitus, cardiovascular diseases and neurodegenerative diseases

Main Themes

- Phytopharmaceuticals and their health benefits.
- Recent innovations and prospects of phytopharmaceuticals in the prevention of human diseases.
- Recent innovations in the drug development for the human diseases.
- Biochemical, histological and molecular modeling approaches towards the drug development for the human diseases.
- Modulating effect of phytopharmaceuticals on the status of reactive oxygen species and enzymatic and non-enzymatic antioxidants in human diseases.

For registration and further details contact:

Dr. V. Parthasarathy

Conference Director
